Welcome Message

IRSP 2024

**Prof. Dr.
Muhammad Fiaz**

CHAIR ORGANIZER IRSP MESSAGE

Dear Esteemed Friends and Colleagues, I am honoured to extend, on behalf of the Organising Committee, a cordial invitation to the distinguished 8th Annual Interventional Radiological Society of Pakistan (IRSP) conference, scheduled to take place in Lahore, Pakistan. This significant event, themed "Radiology: Driving Innovations, Enhancing Health span," aims to symbolize our collective commitment to rebuilding relationships and refocusing on health and well-being as we emerge from the challenges posed by the COVID-19 pandemic. In the year 2024, we Endeavor to champion the notion of enhancing the life span of good health through innovation and reimagining diagnostic and interventional radiology. The conference will showcase 12 phygital workshops in Interventional Radiology Education, providing a platform for the exchange of knowledge and insights.

We aspire to gather the preeminent minds in the field of radiology, fostering dialogue that inspires positive change. Participants can anticipate an exceptional lineup of educational and scientific content, complemented by hands-on workshops and networking sessions featuring distinguished international speakers from Europe, Asia, and Oceania, alongside our esteemed local Pakistani experts. We earnestly request the participation and support of all members of various radiology societies, contributing to the success of the 8th Annual IRSP 2024. We eagerly look forward to your physical presence in Lahore, Pakistan, for an intellectually stimulating meeting of minds. Come not only for the content but also to forge meaningful connections. Kindly consider joining our mailing list to signify your interest and be among the first to receive updates. With your active support and participation, we anticipate a dynamic and prosperous conference. We eagerly anticipate your presence in Lahore,

IRSP 2024

Dr. M. Kashif Shazlee

SCIENTIFIC CHAIR MESSAGE

In the name of Allah, Most Gracious, Most Merciful. I am deeply honoured to Chair the scientific committee for the 8th Annual scientific conference of Interventional Radiology Society of Pakistan (IRSP) to be held on 1st & 2nd March 2024, in Lahore, Pakistan. On behalf of the Scientific Committee, I am pleased to welcome all speakers, delegates, and our industrial partners & their representatives. The IRSP annual scientific conference provides an opportunity for the regional and international speakers to project their innovative and advanced interventional radiology works. Simultaneously, the scientific committee is encouraging junior colleagues and researchers to present their work during the scientific sessions.

The scientific program is expecting to arrange 13 hardcore academic sessions and one business session. The conference provides a great opportunity for the radiology & IR related industry to show off their inventory through a few industrial sponsored symposia. I sincerely hope this conference will create a great impact on the participating professionals through a mutual experience exchange and person to person communications during the scientific sessions & social gatherings. I am looking to meet you in the conference and wish all the participants a pleasant stay in Lahore, Pakistan.

IRSP 2024

Dr. Tanveer ul Haq

PRESIDENT'S MESSAGE

Dear Colleagues, It gives me an immense pleasure to invite you for our eighth annual interventional society of Pakistan (IRSP) meeting in March 2024 at Hotel Pearl Continental Lahore. Your participation in this conference will be most valuable to us and together we will be able to further promote the modality within the country. As in our previous meetings, we will try our utmost to provide you with an academic environment which will lead everyone to progress in the field. The workshops and program will try to cover from basics to state of the art. Many national and international well practicing renowned personalities and experts have consented to participate and their acquaintance will bring a great learning opportunity for the participants. Dedicated sessions for the IR techs and nurses will perhaps be a new addition to this conference.

As you all know that interventional radiology is a rapidly growing field in the modern medical practice. The innovations and new researches in this field are at a very rapid pace and such an opportunity will keep us updated and abreast with the evolving modality. This year we will be having more wider range of workshops and the scientific program will be both exciting and informative with more interactive sessions. IRSP as a sub society of radiology society of Pakistan is having tremendous support from the parent society and under which guidance, we will be able to make the events successful. This national conference will also give you a chance to interact with very experienced seniors and which enables you to explore new avenues and guide you for future endeavors. The trainees and juniors will find it beneficial for their future directions and career building. I therefore look forward to meet and greet you in the conference. Thank you

IRSP 2024

Dr. Jamshaid Anwar

GENERAL SECRETARY MESSAGE

It is with great pleasure that I invite you to the 8th Annual Conference of the Interventional Radiology Society of Pakistan (IRSP). Having been an early member of this society I am proud to see interventional radiology flourish in Pakistan through the efforts of our national society. This year will, no doubt, once again provide an excellent scientific programme and a unique opportunity to network and meet colleagues in Lahore.

I would like to take this opportunity to thank the Scientific Committee (Chaired by Dr Kashif Shazlee), the Organising Committee (Chaired by Dr Muhammad Fiaz) and the entire Executive Committee for their hard work and dedication that have made this all possible. Looking forward to seeing you all in Lahore.

IRSP 2024

Dr. Muhammad Ali

FINANCE SECRETORY MESSAGE

I am honored to take on the role as the finance secretary of the IRSP, and I would like to thank all my colleagues and the society for their immense support. IR is growing fast in Pakistan and has a bright future. To keep up the pace at this speed, we intend to attract the juniors and increase IR training programs across the country.

As we will be moving into the second decade of the foundation of IRSP, EC aims to work further on international liaison and accreditation. The current EC will do its best for the future development of IRSP through research and collaboration. Insha'Allah. I am looking forward to welcoming you all at IRSP 2024.

MARCH 2024

DR. ZAHID AMIN KHAN
PRESIDENT ELECT, IRSP

PRESIDENT ELECT'S MESSAGE

IRSP continues to grow year on year but is faced with formidable challenges, principally related to delivery of care, to a large populous and a limited health care budget but also because of insufficient numbers of trained IR practitioners. These obstacles need to be overcome by a tailor made, country specific, innovative approach on the bedrock of a cohesive national society with national consensus and representation alongside international collaboration from our Pakistani diaspora and other societies.

Looking forward, I warmly invite you to be a part of our bright future and participate in this year's annual 9th IRSP conference which promises to be the best yet and gives an opportunity for all of us to get together as a single unified body.

Session: 6 - 03:00PM - 05:00PM

ANGIOGRAPHERS / CATH TECHNOLOGIST'S SESSION

**DR. M. ALI (CHAIR) - PROF DR NAYAB ALIA(CO CHAIR)
IQRA GHAFUOR(MODERATOR)**

- 3:00 **Fatima Shahzad**
3:08 AGA KHAN HOSPITAL
"Patient-First Approaches: Transforming Interventional Radiology Scheduling for Enhanced Safety"
- 3:08 **Shirin Irfan Bhimani**
3:15 AGA KHAN HOSPITAL
Empowering Interventional Radiology Nursing: A Vital Component of Pakistan's Healthcare
- 3:15 **MR Loqman Shah**
3:22 BS RT (Hons), MS-AHS* Lecturer Radiology
NCS Institute of Sciences capital campus Islamabad.
Challenges in managing in radiology system
- 3:22 **Asif Bilal**
3:30 AGA KHAN HOSPITAL
Utilization of dyna ct in evaluation of occult hepatic lesion during tace and its impact on management.
- 3:30 **Mr. Adeel Shah**
3:38 Sn. Technologist & Manager at IDC FSD
Importance of Patient Preparation in MRCP and its different technique to enhance image quality
- 3:40 Discussion

**MR. Qamar Majeed (CHAIR) - Dr. Raham Bacha (CO CHAIR)
Mr. M. Naeem (MODERATOR)**

- 3:40 **Dr Athar Shams Rana**
3:50 HOD & Assistant Prof DRSMIT Superior University Lahore
Comparison of efficacy of Foam Sclerotherapy with and without Ultrasound guided for the treatment of varicose veins
- 3:50 **Ms Sana Zaheer**
4:00 Sn. Lecturer King Edward Medical College
Incorporation of SDGs in IR Curriculum of undergraduates.
- 4:00 **Laiba Ali**
4:07 IRCC Lahore
Specialist Radiology Technologist Guidance for Venous Mapping Before Endovascular Radiofrequency Ablation for Varicose Veins
- 4:07 **Ishrat Ghouri**
4:15 IRCC Lahore
Idea of Inventor Management Tool Queries Landing Page Development by Interventional Radiology Society of Pakistan
- 4:15 **Sawera Nadeem**
4:22 IRCC Lahore
Advantages of Hand-Held Doppler In Vascular Interventional Radiology Clinic
- 4:25 Discussion

**Dr. Athar Shams Rana (CHAIR) - Dr. Sana Zaheer (CO CHAIR)
M. Waqar Ahmad (MODERATOR)**

- 4:25 **Dr Hira Riffat**
4:35 Sn Lecturer UOL Sargodha
Vascular complications of percutaneous transhepatic biliary interventions
- 4:35 **Dr Raham Bacha**
4:45 Associate Prof UOL
Step by step shoulder sonography
- 4:45 **Ms Syeda Nazuhah Zahra**
4:53 SIUT Karachi
Role of endovascular management in treatment of Gross hematuria in curative, palliative and adjunctive cases
- 4:53 **Shehroz**
5:00 AGA KHAN KARACHI
Nursing Care of PICC Line and Perma Cath Patients.
- Closing

Session: 12 - 2:00PM - 04:30PM

RADIOLOGY RESIDENT FORUM (RRF) BY IRSP 2:00PM - 4:30PM

**Prof. Dr. Syed Imran (CHAIR) - Dr. Amjad Sattar (CO CHAIR)
Dr. Danial Khalid (MODERATOR)**

- 2:00 "Research & The Common Challenges Faced By IR Fellows"
2:10 **Dr. Junaid Iqbal (karachi)**
- 2:10 "Striving For The Standardized Clinical Practice In IR"
2:20 **Dr. Amajd Sattar**
- 2:20 PBD in Biliary Strictures
2:30 **Dr. Hasseb Ahmed (karachi)**
- 2:30 Percutaneous Catheter-Directed Sclerotherapy for Pelvic inclusion cyst using Povidone-Iodine. A single center experience.
2:40 **Dr. Muhammad Ismail Alvi**
- 2:40 Radiologist's Role in Transjugular Intrahepatic Portosystemic Shunt (TIPS) Malfunction; A Practical Guide.
2:50 **Dr. Khurram Khaliq Bhinder**
- 2:50 Tunneled dialysis catheter utilization and patency: A retrospectiveprospective Study from a tertiary care hospital in Karachi Pakistan.
3:00 **Dr. Ramsha Fatima**
- 3:00 Transarterial Chemoembolization in Hepatocellular Carcinoma: Exploring its Role in Vascular Invasion and Extrahepatic Metastasis - A Systematic Review
3:10 **Usman Younis**
- 3:10 The efficacy of ultrasound guided sclerotherapy of endometriomas with ethanol and gentamycin; a combination approach.
3:20 **Dr. Burhan Zafar**

**Dr. Junaid Iqbal (CHAIR) - Dr. Raima Kaleemi (CO CHAIR)
Dr. Arshad Faheem (MODERATOR)**

- 3:20 CT Guided Minimally Invasive Management of Osteoid Osteoma - An initial experience at CMH Rawalpindi.
3:30 **Dr Farzana Zulfiqar Ali**
- 3:30 Clinical success achieved in patients presenting with variable severity haemoptysis after bronchial artery embolization.
3:40 **Kaukab Naeem Syed**
- 3:40 Detection of Hepatocellular Carcinoma: Comparison of C-Arm Cone Beam volumetric CT and multidetector computed tomography (MDCT).
3:50 **Furqan Ahmed**
- 3:50 Comparison of efficacy of Foam Sclerotherapy with and without Ultrasound guided for the treatment of varicose veins.
4:00 **Mohammad Umar**
- 4:00 Myth Busters: Artificial Intelligence in Radiology - Collaboration, not Competition.
4:10 **Zeeshan Ghias Khan**
- 4:10 A Pictorial Review of Least Invasive Breast Interventions for Diagnostic and Therapeutic Purposes (Poster)
4:20 **Asma Asghar**
- 4:20 "Unveiling Barriers: A Comprehensive Study on the Under representation of Women in Interventional Radiology and the Associated Challenges - Insights from Pakistan"
4:30 **Dr Preh Fatima**
