TEA BREAK 11:00AM

PRESS CONFERENCE 10:30AM

## PEDIATRIC'S IR

Session: 3 - 011:30AM - 01:00PM

|                                                                                                        |                |
|--------------------------------------------------------------------------------------------------------|----------------|
| <b>DR. ZAHID AMIN KHAN (CHAIR) - DR.RAZA RAHIM (CO-CHAIR)</b><br><b>DR AMMARA MALIK (MODERATOR)</b>    |                |
| "SLOW FLOW VASCULAR MALFORMATIONS - CHALLENGES IN<br>DIAGNOSIS & TREATMENT"                            | 11:30<br>11:45 |
| <b>DR. IQBAL HUSSAIN DOGAR (LAHORE)</b>                                                                |                |
| Discussion                                                                                             |                |
| PRE-OP EMBOLIZATION OF NASOANGIOFIBROMA-SINGLE CENTRE<br>EXPERIENCE <b>DR. RAZA RAHIM (ISLAMABAD)</b>  | 11:45<br>12:00 |
| Discussion                                                                                             |                |
| INTRA-ARTERIAL CHEMOTHERPAY INFUSION FOR RETINOBLASTOMA                                                | 12:00          |
| <b>DR. KHWAJA MOHAMMAD BAQIR (ISLAMABAD)</b>                                                           | 12:15          |
| Discussion                                                                                             |                |
| HEPATOBIILIARY INTERVENTIONS IN PEDIATRICS                                                             | 12:15          |
| <b>DR. AHSUN RIAZ (USA)</b>                                                                            | 12:30          |
| Discussion                                                                                             |                |
| MULTI DISCIPLINARY MEETING (MDT)                                                                       | 12:30          |
| <b>DR IQBAL DOGAR, DR M KASHIF SHAZLEE, DR AHSUN RIAZ,</b><br><b>DR RAZA RAHIM, DR ZAHID AMIN KHAN</b> | 12:55          |
| case based discussion                                                                                  | 1:00           |

## HEPATOCELLULAR CARCINOMA CURRENT TRENDS IN TREATMENT

Session: 5 - 02:00PM - 03:30PM

|                                                                                                                               |      |
|-------------------------------------------------------------------------------------------------------------------------------|------|
| <b>DR. KHURRAM SHAFIQ (CHAIR) - DR. NAJAM UD DIN( CO CHAIR)</b><br><b>DR ZAHEER SHIRAZI (MODERATOR)</b>                       | 2:00 |
| "TARE- PATIENT'S SLECTION, EXPECTATIONS & ARRANGEMENTS -<br>UPDATED GUIDELINES" <b>DR. AMMAR SARWAR (USA)</b>                 | 2:12 |
| Discussion                                                                                                                    | 2:12 |
| "TARE- TECHNIQUES & CLINICAL OUTCOMES-LOCAL & INTERNATIONAL<br>EXPERIENCE" <b>DR. AMMAR SARWAR (USA-PAK)</b>                  | 2:24 |
| Discussion                                                                                                                    | 2:24 |
| "TREATING THE BIG HCC BEYOND THE ABLATION-OPTIONS, PRECAUTIONS<br>& LIMITATIONS" <b>DR. ZAHID AMIN KHAN (ISLAMABAD)</b>       | 2:36 |
| Discussion                                                                                                                    | 2:36 |
| WHEN THE TACE GETS TRICKY: SOME INTERESTING CASES                                                                             | 2:48 |
| <b>DR. JAMSHAID ANWAR</b>                                                                                                     |      |
| Discussion                                                                                                                    | 2:48 |
| INITIAL EXPERIENCE OF THERASPERE IN (AKU)                                                                                     | 3:00 |
| <b>DR. AZEEM UD DIN</b>                                                                                                       |      |
| MULTI DISCIPLINARY MEETING (MDT)                                                                                              | 3:00 |
| <b>DR RAZA SAYANI, DR AMMAR SARWAR, DR AZEEM UD DIN,</b><br><b>DR ZAHID AMIN KHAN, DR JAMSHAID ANWAR, DR MUHAMMAD RAMZAN,</b> | 3:30 |
| Q/A & Discussion                                                                                                              |      |

## PERIPHERAL ARTERIAL DISEASE

Session: 2 - 11:15AM - 01:00PM

|                                                                                                                                                                                           |                |

## NEUROINTERVENTION UPDATES

Session: 6 - 03:30PM - 05:30PM

|                                                                                                                          |              |
|--------------------------------------------------------------------------------------------------------------------------|--------------|
| <b>DR. TANVEER UL HAQ (CHAIR) - DR. UMAIR RASHEED CHAUDHARY (CO CHAIR)</b><br><b>DR AWAIS QADEER (MODERATOR)</b>         |              |
| "INTRA CRANIODURAL AVF: ANGIOARCHITECTURE & THEIR<br>ENDOVASCULAR MANAGEMENT" <b>DR. TANVEER UL HAQ (KARACHI)</b>        | 3:30<br>3:50 |
| Discussion                                                                                                               |              |
| STROKE MANAGEMENT IN NEURO CENTRE USING ARTIFICIAL<br>INTELLIGENCE-PATIENT'S EXPERIENCE <b>DR. CHANGEZ JADUN (UK)</b>    | 3:50<br>4:05 |
| Discussion                                                                                                               |              |
| MECHANICAL THROMBECTOMY FOR ACUTE ISCHEMIC STROKE:<br>INITIAL EXPRIENCE OF 150 PATIENTS <b>DR. IRFAN LUFTI (KARACHI)</b> | 4:05<br>4:20 |
| Discussion                                                                                                               |              |
| ENDOVASCUALR TREATMENT OF THE BRAIN ANEURYSM: FROM COILING<br>TO FLOW MODULATION <b>DR. M ALI (KARACHI)</b>              | 4:20<br>4:35 |
| Discussion                                                                                                               |              |
| DIFFICULT THROMBECTOMY-WHAT CAN BE LEARNT FROM EXPERIENCE                                                                | 4:35         |
| <b>DR. CHANGEZ JADUN (UK)</b>                                                                                            | 4:50         |
| Discussion                                                                                                               |              |
| TRANSRADIAL ACCESS IN NEUROINTERVENTIONS! EVIDENCE & OUTCOMES                                                            | 4:50         |
| <b>DR. ZAFAR HASHIM (UAE)</b>                                                                                            | 5:05         |
| Discussion                                                                                                               |              |
| CASE BASED DISCUSSION                                                                                                    | 5:25         |

## HALL-A

TEA BREAK - 05:30 PM

General Metting - 06:00PM - 07:00PM

Interventional  
Radiology Society of  
Pakistan

Date: 3<sup>rd</sup>-4<sup>th</sup> April, 2027

PC LAHORE

DAY 2

4th APRIL

# 11<sup>th</sup> ANNUAL CONFERENCE 2027

Scientific Excellence in Intervention

## AORTO ILIAC & VENO-OCCLUSIVE

Session: 7 - 9:00AM - 10:30AM

DR. IMRAN SYED(CHAIR) - DR. ASIM SHAH (CO CHAIR)  
DR. FOUZIA RANI (MODERATOR)

|                                                                                                                                 |       |
|---------------------------------------------------------------------------------------------------------------------------------|-------|
| Tilawat-e-Quran-e-Pak                                                                                                           | 9:00  |
| TREATMENT OF ACUTE & CHRONIC ILEOCAVAL VENOUS THROMBO OCCULSIVE DISEASE. DR. ASIM SHAH (KSA)                                    | 9:05  |
| AORTO ILIAC OCCLUSIVE DISEASE - CLINICAL OUTCOMES IN A RESOURCE CONSTRAINT HEALTHCARE. DR .M ALI (KARACHI)                      | 9:20  |
| PRICIPLES OF EVAR PLANNING & SIZING-HOW TO GET A PERFECT STENT DR. OMER EHSAN (ISLAMABAD)                                       | 9:35  |
| POST THROMBOTIC SYNDROME-IR TOOLBOX FOR THE ILEO-CAVAL RECONSTRUCTION. DR. MUHAMMAD RAMAZAN (LAHORE)                            | 9:50  |
| CASE SERIES REGARDING ENDOLEAK TYPEII EMBOLIZATION IN POST EVAR PATIENTS. DR. IMRAN SYED (UK)                                   | 10:05 |
| BRONCHIAL & NON-BRONCHIAL SYSTEMIC ARTERY EMBOLIZATION IN MASSIVE HEMOPTYSIS-SINGLE CENTRE EXPERIENCE DR. SHOAB NASIR (KARACHI) | 10:20 |
| Q/A                                                                                                                             | 10:30 |

TEA BREAK 10:30 AM

## MUSCULOSKELETAL INTERVENTIONS & MISCELLANOUS

Session: 9 - 11:00AM - 12:30PM

DR. MUHAMMAD TAHIR (CHAIR) - DR. MUHAMMAD FIAZ (CO CHAIR)  
DR. HINA FAROOQ (MODERATOR)

|                                                                                                                                           |       |
|-------------------------------------------------------------------------------------------------------------------------------------------|-------|
| CT GUIDED MICROINTERVENTIONS FOR THE SPINAL PAIN MANAGEMENT DR. M FIAZ (LAHORE)                                                           | 11:00 |
| ROLE OF IR IN VERTEBRAL COLLAPSE DR. MISBAH TAHIR(KARACHI)                                                                                | 11:15 |
| OZONE THERAPY- REAL WORLD DATA AND CLINICAL OUTCOMES-WHERE WE ARE HEADING DR. OMAIR RASHEED CHAUDHARY (LAHORE)                            | 11:30 |
| RENAL ARTERY STENTING-TECHNIQUE & OUTCOMES DR. SAKIB MOGHUL (UK)                                                                          | 11:45 |
| ESTABLISHING PERITONEAL DIALYSIS SERVICES IN A RESOURCE CONSTRAINT ENVIRONMENT-TECHNICAL CHALLENGES & OUTCOMES DR. SAQIB ISHAQI (KARACHI) | 12:00 |
| CHALLENGES OF ESTABLISHING IR AS A SPECIALTY IN SMALLER CITIES- A CRITICAL REVIEW DR. ABDUL RAUF (FAISALABAD)                             | 12:15 |
| Q/A & DISCUSSION                                                                                                                          | 12:25 |

## HEPATOBIILIARY, SPLEEN & GIT

Session: 11 - 02:00PM - 03:40PM

DR. MUHAMMAD AZEEMUDDIN (CHAIR) - DR ISLAH UD DIN (CO CHAIR)  
DR. HASAN BUKHARI (MODERATOR)  
IR APPROACH TO COMPLEX TIPS & DIPS-TERTIARY CARE EXPERIENCE DR. AHMED ZIA (LAHORE)

|                                                                                                         |      |
|---------------------------------------------------------------------------------------------------------|------|
| EMBOLIZATION OF GASTROINTESTINAL HEMORRHAGE- MEANS, METHODS & MASTERY DR. MUHAMMAD AZEEMUDDIN (KARACHI) | 1:45 |
| IR IN A LIVER TRANSPLANT CENTRE-CHALLENGES & CLINICAL OUTCOMES DR. NOMAN AL QAMARI (KARACHI)            | 1:57 |
| COMPLEX & MALIGNANT BILIARY STRICTURE- HOW DO I DEAL WITH IT DR. ATIF RANA (ISLAMABAD)                  | 2:09 |
| PERCUTANEOUS ENDOSCOPY IN MANAGING BILIARY AND GALL BLADDER PATHOLOGIES DR. AHSUN RIAZ (USA)            | 2:21 |
| ROLE OF EMBOLIZATION IN HEMORRHOIDS DR SHAMS IQBAL (USA-HAVARD MED SCHOOL) ONLINE                       | 2:21 |
| CHOLANGIOPLASTIES IN POST LIVER TRANSPLANT PATIENTS DR. EHSAN KIYANI (ISLAMABAD)                        | 2:33 |

## PERIPHERAL ARTERIAL DISEASE

Session: 8 - 11:00AM - 12:30PM

DR. SHAHBAZ AHMED QAZI (CHAIR) - DR. JAMSHAD ANWAR (CO CHAIR)  
DR. MUHAMMAD IMRAN (MODERATOR)

|                                                                                                              |       |
|--------------------------------------------------------------------------------------------------------------|-------|
| THE MYTH OF PELVIC VENOUS DISORDERS, POORY UNDERSTOOD DISEASES IR SOLUTIONS DR. SHAHBAZ AHMED QAZI (KSA)     | 11:00 |
| UTERINE ARTERY EMBOLIZATION-FERTILITY, ADENOMYOSIS & SIZE-WHAT IS THE EVIDENCE DR. FARZANA ALTAF (ISLAMABAD) | 11:15 |
| PROSTATIC ARTERY EMBOLIZATION- EVIDENCE & TECHNIQUE DR. AMMAD HUSSAIN (KARACHI)                              | 11:30 |
| BEYOND THE COLOR DOPPLER- IMAGING IN ERECTILE DYSFUNCTION-IR PERSPECTIVE DR. M KASHIF SHAZLEE (PAK-UAE)      | 11:45 |
| VARICOCELE EMBOLIZATION- EXPECTATIONS & EVIDENCE DR. JAMSHAD ANWAR (ISLAMABAD)                               | 12:00 |
| ANTEROGRADE RETRIEVAL OF OBSTRUCTED URETERIC STENTS-HOW I RESCUE THE UROLOGIST DR. IMRAN SYED (UK)           | 12:15 |
| Q/A & DISCUSSION                                                                                             | 12:30 |

## HALL-A

## RESIDENT FORUM BY IRSP 2:30PM - 4:45PM

Session: 10 - 03:15PM - 04:55PM

"RESEARCH & THE COMMON CHALLENGES FACED BY IR FELLOWS" DR. JUNAID IQBAL (KARACHI)

|                                                                          |      |
|--------------------------------------------------------------------------|------|
| "STRIVING FOR THE STANDARDIZED CLINICAL PRACTICE IN IR" DR. AMAJD SATTAR | 2:30 |
| PBD IN BILIARY STRICTURES DR. HASSEB AHMED (KARACHI)                     | 2:45 |
| Study 1                                                                  | 2:45 |
| Study 2                                                                  | 3:00 |
| Study 3                                                                  | 3:00 |
| Study 4                                                                  | 3:10 |
| Study 5                                                                  | 3:20 |
| Study 16                                                                 | 3:30 |

LUNCH - 01:00PM - 1:45PM

## UPDATES IN ABLATION THERAPIES & VISCERAL EMBOLIZATION

Session: 12 - 03:40PM - 04:55PM

DR. ZAHEER SHIRAZI (CHAIR) - DR. AHMAD ZIA (CO CHAIR)  
DR. ABDUL RAUF (MODERATOR)

|                                                                                                                          |      |
|--------------------------------------------------------------------------------------------------------------------------|------|
| "ABLATION FOR HCC- THERMAL OR CHEMICAL? CURRENT TRENDS & GUIDELINES" DR. MISBAH TAHIR (KARACHI)                          | 3:10 |
| HOW I DO IT-PARATHYROID ABLATION DR.EBRAHIM INIK (TEHRAN/IRAN) ONLINE                                                    | 3:22 |
| RENAL ABLATION- TECHNIQUE & CLINICAL OUTCOMES DR ABDULLAH SAEED (LAHORE)                                                 | 3:22 |
| EMBOLIZATION OF RCC METS DR. SAKIB MOGHUL (UK)                                                                           | 3:36 |
| TO ACHIEVE THE BEST CLINICAL OUTCOME IN VARICOSE VEIN ABLATION DR. SHAHBAZ AHMED QAZI (KSA)                              | 3:48 |
| Thermal Ablation of Breast Cancer Prof. Jie Yu (china)                                                                   | 3:48 |
| COMPARING MECHANICO-CHEMICAL ABLATION WITH RADIOFREQUENCY ABLATION IN TREATING VARICOSE VEINS DR. ABDUL RAZZAK (KARACHI) | 4:00 |

## HALL-A

TEA BREAK - 04:30 PM

CLOSING - 04:55PM
